Dear Pending Member,

Once your application for membership has been received at the main office. There are several steps taken before you reach full membership status. Your companies name will be published in our quarterly newsletter. If there are no protests, and your application is complete, your name will be presented to the Board of Directors at their next meeting and they will vote on your acceptance.

Upon your acceptance, you will be sent a new member packet by mail giving you full member status. Until that time, you are considered a pending member and may attend all Michigan Pest Control Association functions at member fees. If you applied for active membership you will not have voting power until you receive your new member packet. (Associate and allied memberships do not have voting rights.)

If you have any questions please call the office.

Thank you for your support! You will be hearing from us soon.

Sincerely,

*Christine D. Arnold
Executive Secretary*
