

**MPMA Education and Training
Webinar**

October 9, 2020

**Chairperson: James Myers, ACE
Target Specialty Products**

MDA credits – 4- 7F or Core

Please note two critical changes for 2020.

To register, you will have to pre-pay, as there is no payment at the door option.

You also must provide an email when registering so that we may send you the invitation link (sent the day before the training). Our training seminars will be provided via GoToMeeting. They will be half-day sessions for 4 credits each.
