

Professionalism and Integrity: Setting a High Standard for the Pest Control Industry

The Michigan Pest Management Association is a member-funded organization committed to the pest control industry and the protection of public health, food and property. Our members are pest control professionals — extensively trained specialists who contribute to the health, safety and economic vitality of Michigan's communities.

The goal of the MPMA is to raise the standard for all pest control companies statewide and provide our valued members a multitude of resources and benefits that will help you accomplish your business goals.

Our vision is:

**TO BE KNOWN AS THE PEST MANAGEMENT INDUSTRY'S
PREMIER SOURCE FOR ADVOCACY, NETWORKING, AND
TECHNICAL & BUSINESS EDUCATION.**

Our values are:

**RELATIONSHIPS, PROFESSIONALISM, ADVANCED EDUCATION,
BEST PRACTICES, INDUSTRY REPRESENTATION, LEADERSHIP
DEVELOPMENT, AND INNOVATION.**

Our Objectives:

- ☑ To help pest control companies grow by providing high-quality education, networking opportunities and leadership development.
- ☑ To research and promote the best industry practices to our valued members.
- ☑ Partnering with the National Pest Management Association, and State Governmental authorities for the good of our communities and industry.

Prestige:

Because of our mission and vision, we elevate the standards of the pest control industry and those who work in it bringing an aura of trust, integrity, and reliability to our members.

Membership in MPMA commands respect and professional labels often translate to a better chance of business success.
